Subject: Availability request - R8 - Gold King Mine Blowout ER
Importance: High

All,

Region VIII has requested a status on the availability of ERT. Specifically, they would like to know who of our team members is trained as Environmental Unit Leader and Situation Unit Leader. This is an availability request only.

Please indicate to me with cc to MaryBeth Smith the following:

- 1) Whether you are trained/experienced in serving as either or both an Environmental Unit Leader or Situation Unit Leader
- 2) Your dates of availability through the end of August 2015

Please do this today at your earliest convenience.

Thank you,

Marc
